RESOLUTION NO. 04- 16

A RESOLUTION TO EXPAND THE DOWNTOWN TASK FORCE.

WHEREAS, the existing Downtown Task Force completed its charges from Council, issuing the "Recommended Design Elements for the Downtown Tigard Commuter Rail Station" document and examining Downtown's existing land use and economic conditions to identify revitalization and economic development needs; and

WHEREAS, for FY2004-2005, the City has received a \$113,000 Transportation and Growth Management Grant (TGM) from the state to develop a Downtown Redevelopment Plan, and federal and state rules require citizen involvement in the Plan's development; and

WHEREAS, the current Downtown Task Force members appointed in 2002 have extensive knowledge of the Downtown, and the TGM Grant will need to build upon all the work that has been completed thus far; and

WHEREAS, in recognition of the complex nature of completing a redevelopment plan for the Downtown, City Council has expressed the need to involve more of the community-at-large in Downtown planning and enlarge the existing Task Force to include additional citywide representatives;

NOW, THEREFORE, BE IT RESOLVED by the Tigard City Council that:
